To: The Honorable Senator Bill Cassidy

From: Professional Fire Fighters Association of Louisiana

Dear Senator Cassidy:

On behalf of the Professional Firefighters Association of Louisiana, and its nearly 5000 members, it is my honor and privilege to announce our endorsement of Dr. Bill Cassidy for his re-election to the United States Senate for the great state of Louisiana. Senator Cassidy has stood with the firefighters of Louisiana throughout his time in Congress. Most recently he ushered through legislation that corrected an injustice against our state's firefighters. The Social Security Fairness Act did away with WEP and GPO and put us on a level playing field that most of the other states have enjoyed for years. No longer will our firefighters be penalized nor will their spouses be penalized after our deaths. Senator Cassidy stands for what's right and fair. He is a man of great integrity, and it is our honor to support him! Thank you, Senator Cassidy, for doing the right thing and thank you for your leadership.

Sincerely,

Chad Major  
President  
Professional Fire Fighters Association of Louisiana
